The J-280™ proves that affordable hot tubs can give you everything you want in a spa. It has features you might find surprisingly upscale, including jets and classic stainless-steel jet faces. Energy-saving LED lighting illuminates the waterfall, foot well and the interior perimeter to provide colour and enhanced safety. The J-280™ is the flagship model of the J-200™ collection of Jacuzzi® hot tubs. Standard equipped with 44 Jacuzzi® jets with six variations in a spacious design, this hot tub can accommodate up to seven adults. But what makes the J-280™ stand out is its wealth of optional features.
